Dear Parents/Carers,

Miss Drew confirmed this week that she is ready to begin a phased return to school. For the next term Miss Westgarth and Miss Drew will job share. This will provide continuity for the children who have flourished during the year.

During the first four weeks after Easter Miss Drew will gradually build up her time in school starting from the second week back with some overlap with Miss Westgarth to help the children settle.

Thank you for your understanding over the past school year. I would like to thank Miss Westgarth particularly for the way she has taught the class and built strong relationships with them.

From June 2nd Miss Drew will teach Monday, Tuesday and Wednesdays then Miss Westgarth will also be in class on Wednesday before taking over on Thursday and Friday.

Diolch,

Sophie Notley

Headteacher
