

21st March 2025

Value for this half term: **Honesty**

Dear Parents/Carer,

As part of our changes to the way we report and share learning with families, teachers are holding in-class learning sessions this half term as well as the usual parents/carers evenings.

These sessions are designed to help you support your child with their learning at home. The focus will vary from class to class depending on the whole class learning need.

Please see the timetable below:

Coed Glas Bard 2025 & Eisteddfod

Cook Stars is a healthy eating cookery enrichment programme which is being offered to schools in and around Cardiff. We were lucky enough to secure two spots with Annette who runs the programme with support from Cardiff Council.. The first session took place yesterday, where Annette showed the group how to make delicious pasta salad which they took home for their tea! It was so lovely to see the children and adults cooking together. We have two sessions still to come where we will be cooking up some Indian and Chinese delights!
