Dear Parents and Carers,

We have made it to the end of January! Thank you for your continued support for your children's learning. We appreciated your feedback on the Pupil Progress Records. We want to improve the connections between home and school in regards to learning and felt strongly that an end of year report did not do this. We have taken on board the comments and suggestions parents and carers made.

Parents evenings this term

This term all year groups will be having **parents evenings on Tuesday 25th and Thursday 27th March**. The office staff will be sending out the information for booking appointments shortly.

Term time holidays:

We encourage everyone to take their holidays during the school breaks. Every request for a term time holiday is considered on an individual basis taking into account your child's attendance.

If your child's attendance is below 92% term time holidays will be classed as an unauthorised absence. Attendance of less than 90% has a significant impact on a child's learning.

All requests need to be in writing via letter or email addressed to the headteacher via the main office: frontdesk@coedglasprimary.co.uk
