Wednesday 3rd December 2025

Dear Coed Glas Parents, Carers and Llanishen Community,

We are writing to ask you for your help.

We want to make our secret garden better by getting rid of some trees, an old mud kitchen and some wood. We really need

help to do this. It will make our kids soooooooooo much happier! In forest school we do forest type stuff and right now it is hard to do it. So please help us!

We need to get rid of a lot of branches & twigs to make our secret garden nice and clean it all up. Can you help us please? We would like to have a bit of help as we all need the space to have a forest school.

We need help to remove it all. Please can you bring a chainsaw, then, we need some help to pick up some twigs. We need a lot of things removed like brambles and trees & branches. There is a lot of rubbish and old wastes.

In Coed Glas Primary School it is through a gate. There are a lot of logs and plants.

We need help to move. Some twigs and turn some stuff into other stuff like a shelter and to chop a tree down but be careful it might fit in the other section. And it is all at the back of the playground which is the edible garden.

We want a mini pond because one is green and mossy and isn't even finished. Thank you people we need help please please please !!!!!!!!!!!!!!! . thank you people

We want this garden to get loads of nature visitors,

We need a mini pond like this one.

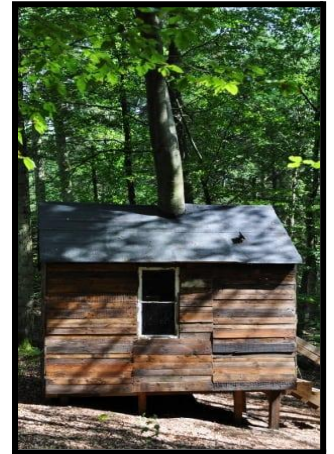

This is the space we need to turn it into a shed.

Here are some Examples of how we want the shed to look like. nice and bright.

Can you help to get all of the lve off this tree please.
We want a fresh tree.

We really want a plantation so we dont run out of food.

A message from Mr Chin: *If you can help or you know a business or charity who can, please speak in person or send an email to Mr Chin-Adams on dca@coedglasprimary.co.uk. We will be starting Welly Wednesday Club later in the spring term. (Chainsaws NOT required, as suggested by the children!)*

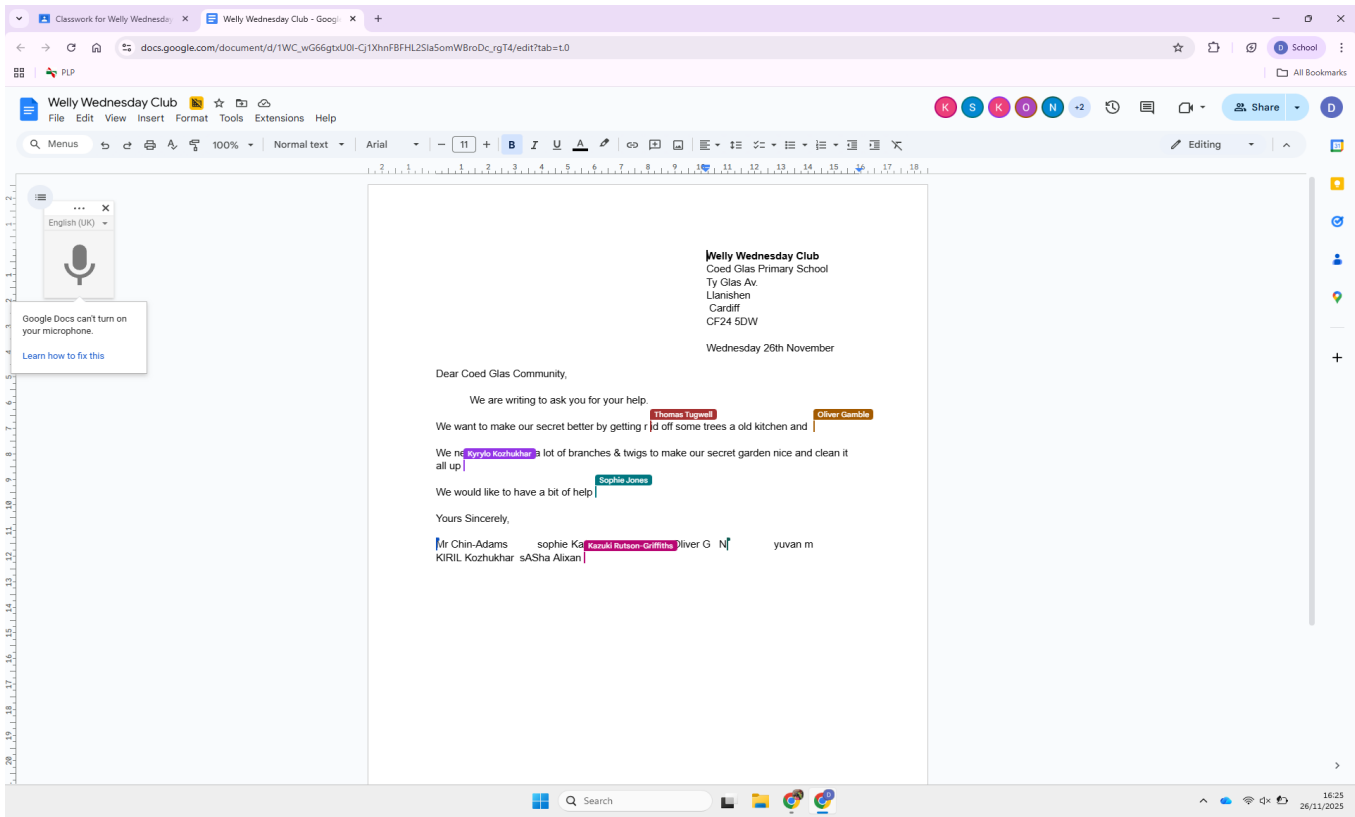

Diolch and Yours Sincerely,
Coed Glas 'Welly Wednesday' Club

Kozhukhar Sasha Kozhukhar

Ps. We worked on this letter together on Hwb because it is too dark outside in December. Look!

This is what we do in Welly Wednesday Club
